MARBLE LOOK

Marbleplay

L'eterna eleganza dei marmi più pregiati incontra il design contemporaneo in una collezione in gres porcellanato ultrasensibile per i pavimenti e in monoporosa in pasta bianca per i rivestimenti. Otto marmi differenti nei formati 60x120 e 60x60 in finitura matt e 58x116 e 58x58 in versione lux, dialogano con sei raffinati rivestimenti nel grande formato 30x90. La superficie lucida del rivestimento si arricchisce di strutture tridimensionali e soluzioni decorative geometriche che entrano in armonico contrasto con le venature del marmo definendone una nuova modernità.

The eternal elegance of the finest marbles meets contemporary design in a collection of ultra-durable porcelain stoneware for floorings and white-body monoporosa for wall tiles. Eight different marbles in the 60x120 cm and 60x60 cm sizes in matt finish and 58x116 cm and 58x58 cm in glossy version dialogue with six exquisite wall coverings in the 30x90 cm size. The glossy surfaces of the wall coverings are completed by three-dimensional structures and geometric decors, which establish an attractive contrast with the veining of the marble, defining a new modernity.

L'élégance éternelle des plus beaux marbres rencontre le design contemporain dans une collection en grès cérame ultra résistante pour les sols et en monocousson poreuse à pâte blanche pour les murs. Huit différents marbres, 60x120 cm et 60x60 cm en finition mate et 58x116 cm et 58x58 cm en version brillante, côtoient six raffinés revêtements muraux en grand format 30x90 cm. La finition brillante du revêtement se pare de structures tridimensionnelles et de décorations géométriques qui forment un contraste harmonieux avec les veines du marbre et leur donnent une modernité nouvelle.

Die zeitlose Eleganz erlesenster Marmorgesteine trifft auf modernes Design: ultrasensiblen Feinsteinzeugfliesen für Bodenbeläge und weißscherbige Einbrandfliesen für Wandverkleidungen. Acht diverse Marmoroptiken in den Formaten 60x120 und 60x60 mit matter Oberfläche sowie 58x116 und 58x58 mit glänzender Oberfläche, passend zu sechs exquisiten Wandfliesenversionen im Großformat 30x90. Die glänzende Version der Wandfliesen wird durch 3D-Dekore und geometrische Motive bereichert, die ein kontrastreiches Wechselspiel mit den Äderungen des Marmors erzeugen und modernes Design neu definieren.

La eterna elegancia de los mármoles más preciados se alía con el diseño contemporáneo en una colección de gres porcelánico ultrasensibilizado para los pavimentos y en monoporosa de pasta blanca para los revestimientos. Ocho mármoles diferentes en los formatos de 60 x 120 cm y de 60 x 60 cm en el acabado mate y de 58 x 116 cm y de 58 x 58 cm en versión brillante, dialogan con seis refinados revestimientos en el formato grande de 30 x 90 cm. La superficie brillante del revestimiento se enriquece con estructuras tridimensionales y soluciones decorativas geométricas que entran en armonioso contraste con las vetas del mármol reflejando una nueva modernidad.

Нетленная элегантность самых ценных пород мрамора в сочетании с современным дизайном являет свету коллекцию сверхпрочного керамогранита для настила полов и монопорозы из белой глины для облицовки стен. Восемь сортов мрамора в форматах 60x120 и 60x60 см с матовой отделкой и 58x116 и 58x58 см в полированной версии сочетаются с шестью изысканными облицовками большого формата 30x90 см. Полированная поверхность облицовочных материалов обогащается объемными структурами и геометрическими декоративными решениями, которые гармонично контрастируют с прожилками мрамора, определяя новое направление модерна.
